Camp was created in 2011 to showcase the quality and value of Sonoma County wine. We work with top growers in very high quality and responsibly farmed, though lesser known, vineyards throughout Sonoma County to produce delicious, approachable, and affordable wines. All wines undergo native yeast and bacteria primary and secondary fermentations without the use of commercial fermentation aids or additives.

The 2021 Camp Zinfandel is 85% from the Villagomez Vineyard in Dry Creek Creek Valley and 15% from the Branham Rockpile Vineyard in Rockpile. We have a long history with both sites and appreciate the integration of fruit and structure they both offer.

All lots were fermented in stainless steel tanks with moderate temperatures to control extraction and then aged in French oak barrels of varying ages.
